

Mini-Vet School is a five-week series of lectures by the most accomplished and dynamic veterinarians in WNY. For two hours each week, they will lead you on a fascinating journey of animal discovery.

Each lecture is a "course" in a subject covered in veterinary school. Classes are on Thursday evenings starting October 6, 7-9 p.m., for five weeks on the Daemen University campus in Amherst, NY. Some classes are interactive so smart phones/iPads are suggested.

Mini-Vet School is designed for animal lovers, pet owners and those interested in a career in veterinary medicine. Animals have a documented beneficial effect on our physical and psychological well-being. Educating ourselves on animal health can help insure that our beloved companion pets and wild animals receive the best care possible.

The Niagara Frontier Veterinary Society is comprised of more than 75 small animal hospitals and more than 225 practitioners in Erie and Niagara Counties. It serves to advance public awareness and understanding of proper pet health care, veterinary services and the veterinary profession.

## Details

### TIME

Mini-Veterinary School sessions are on Thursday evenings October 6, 13, 20, 27 and November 3, from 7-9 p.m. (Please arrive by 6:45pm for the first session in order to receive your course materials.)

### PLACE

Classes are at Daemen University, located at 4380 Main Street, Amherst, NY (directly across the street from Amherst High school.)  
Classes are in Schenck Hall, Room 107.

### REGISTRATION

Advanced registration is highly recommended as seating is limited. Registration can be complete online or using form to the right.

Cancellations are accepted with full refund up to one week before each program. After that date, no refunds will be made.

### PARKING

Please use Parking Lots B, D or L. They are located after the stop sign when you enter the campus from Main Street. Handicapped parking is available just beyond Schenck Hall in Parking Lot D with permit.

Daemen Map is available at [daemen.edu/sites/default/files/DaemenCampusMapforParking.pdf](https://daemen.edu/sites/default/files/DaemenCampusMapforParking.pdf)
