18 Agassiz Circle, Buffalo, NY 14214

***There will be a presentation explaining the program
followed by registration. Registration is \$45*
Students under 18 must have a guardian sign the registration.***

This is a “hands on” program for students thinking about a career in veterinary medicine, veterinary technology, or anyone who is interested in animals. Lectures and trips will take place January through May 2023

Conducted by a team of professionals led by:

Timm Otterson DVM, Rene vanEe DVM, Kristina Doyle DVM,
Tara Woyton LVT and Mike Masman.

Program Topics: animal care and handling, physical exam, surgical procedures, large and small animal medicine, exotics, feline/canine topics and aquatics, ethics, and dentistry, pain management, government, research, academic, military, and industrial medicine, and more.

Field trips may include an animal shelter, dairy and horse farms, Buffalo Zoo, Ontario Veterinary College, and Cornell College of Veterinary Medicine.

**For more information, contact Dr. Timm Otterson at 689-2287 or
Post26explores@gmail.com**

Your veterinarian.
Your other
family doctor.

**Actual cost is \$75 but the Niagara Frontier Veterinary Society subsidizes the difference.*
